

FRATELLI TUTTI- SISTERS AND BROTHERS ALL

An urgent message for our times – 2021

- Our country has just witnessed an insurrection. Our president has gone rogue and there are threats circulating about armed violence.

- In the midst of all of this turmoil, the voice of Pope Francis, inspired by many other faith leaders, rings out loud and clear, through his encyclical *Fratelli Tutti- Sisters and Brothers All*.

Love one another. We all belong to a global human fraternity of sisters and brothers. Remember the golden rule: *Do unto others as you would have others do unto you*.

-The Office of Life, Peace and Justice is bringing together voices from various faith traditions to speak to different aspects of our present national and world reality, as the voice of faith, hope and justice.

Wednesday, February 10th at 6:30 to 8:00 p.m. Five speakers will interpret the message of Pope Francis from different faith perspectives, as it applies to a specific area of our national reality.

- 1- Sr. Kathleen Warren – Franciscan Sister
- 2- Iman Taha Hasanne – From the Islamic Center S. D.
- 3- Fr. Chris Ponnet - Pax Christi So. Cal.
- 4- Rabbi Laurie Coskey - Chavurah Kol Haneshamah
- 5- Robert Ehnou – Director of Restorative Justice.
- 6- Respond to questions as time permits.
