

The Interfaith Coalition for Earth Justice and the Food and Soil Committee of SanDiego350 present

INDUSTRIAL FARMING AND PANDEMIC RISK TODAY

TUESDAY, MARCH 9TH @ 7-8 PM

This online talk will discuss the link between our industrial animal agriculture and the creation of pandemics, and how we need to change direction to create a better future. It is the first of ICEJ's Advancing Earth Justice Speaker Series

**Featured Speaker:
Dr. Aaron Gross**

Professor in the Theology and Religious Studies Department at University of San Diego and Founder of the food and farming advocacy group, Farm Forward
